About Fairport Baptist Homes

Fairport Baptist Homes has a long history of serving our community's seniors through residential and community-based programs based on our guiding principle of putting "Residents First." Fairport Baptist Homes Caring Ministries offers skilled nursing, assisted living, independent senior housing, intergenerational programs, community care, and transportation to the elderly citizens of Perinton and the surrounding community.

Our unique "household model of care" and person-directed values made us the first nursing home in upstate New York to abandon the traditional "hospital" model of care both conceptually and structurally.
